

Why 848 Group?

Join a rapidly growing Managed Services department, with a leading provider of Business Changing IT.

JOIN A RESPECTED TEAM

848 are a dominating player in the industry. As well as holding 13 Gold and 4 Silver Microsoft Competencies, and a wealth of accreditations, 848 also have high-profile partnerships with industry leaders such as Ricoh and Deloitte.

We also take pride in our non-profit work with Alice Charity and educational facilitators as a Microsoft Education Reseller.

JOIN A VALUED TEAM

848 is continuously raising the bar for software, hardware and services provision. Our outstanding growth has partly been due to our values and company culture.

We believe in a healthy work/life balance and facilitate remote and flexible working. We can offer exceptional professional development opportunities and further training, guided by an accomplished and highly experienced leadership team.

You can also enjoy a modern and relaxed working environment, that has a friendly, people focussed ethos.

If you want to help disrupt the Cloud IT market, or make a tangible impact to an already dynamic, flourishing business, then a growing career with 848 is the goal you need to set.

KEY CONTRACTS

MATT JACKSON

FUNCTIONAL CONSULTANT (DYNAMICS 365 SPECIALIST)

"I believe we stand out from the competition as we lead with a client's needs and requirements in mind; rather than pigeon-holing clients by vertical or industry for ease of delivery.

Instead, we pride ourselves on being able to speak frankly and honestly to clients about what it is they require and how best to achieve this – relying on the wealth of experience and skills in our professionals throughout the four pillars of the group."

Modern Desktop Consultant

Competitive Salary that reflects experience and qualifications

THE OPPORTUNITY

Join a rapidly growing Modern Workplace solutions provider offering exceptional professional development opportunities, training, a modern and relaxed working environment, and a friendly, people focused culture.

With a reputation for delivering business changing IT to a wide variety of clients, in both direct customers and SI partnerships 848 is experiencing rapid growth resulting in a multitude of career development opportunities.

THE ROLE

848 are seeking a Modern Desktop consultant to join their team on a permanent basis to be part of the Modern Desktop practice. The ideal candidate will have had 3-5 years Office 365 experience with a good all-round Windows Desktop, System Centre Configuration Manager and Intune capability.

The Modern Desktop Consultant will be client-facing, therefore good customer soft skills are essential.

The ideal candidate will be from a consulting or IT Services background. Must have a driving license and be willing to travel UK/Europe wide; in line with the requirements of the role.

MAIN DUTIES AND RESPONSIBILITIES

- **Pre-Sales support for active sales opportunities**
- Production of customer facing low level designs (LLD's)
- **Installing and supporting complex cloud and hybrid environments**

APTITUDES AND ATTRIBUTES
